

Kroff Stables Lesson Program

Lesson Program

We are excited to welcome you to the lesson program at Kroff Stables and the luxurious Rancho Paraiso. In our lesson program we will teach each rider horsemanship, compassion, and a good work ethic while in a fun, family atmosphere. Many of our lessons are given in small groups as we've found riders learn faster when watching their peers.

Our lesson horses are treated with great care and are not over worked. With that, we have a limited amount of lesson horses and times.

This is the beginning stage of becoming a teammate on the Kroff Stables show team. We have had many lesson program graduates that have become successful horse owners and competitors.

Tack is provided but it is highly recommended to get your own tack within a couple months as you commit more seriously to the lesson program.

You will need:

- ▶ ATSM Certified Riding Helmet
- ▶ Riding pants or jeans
- ▶ Paddock boots, half chaps or field boots
- ▶ Riding shirt or polo shirt

Lesson fee is \$75 per lesson or a package of 8 for \$525 (that's one lesson for FREE!)
